

ADVANCED SPECIALIST COURSE

Having fulfilled the required criteria, the following course provided by Iron Mill College has been awarded Advanced Specialist training status by The National Counselling and Psychotherapy Society

BA (Hons) Degree in Integrative Counselling

This certificate was issued on 9th February 2024 and is valid only until 8th February 2025. It remains the property of the Society at all times.

An Advanced Specialist course is intended for qualified and registered counsellors. Providers who choose to accept others must make it clear, in publicity and on qualifications, that the course itself does not provide a route to registration for anybody. Detailed individual applications are required where applicable.
