Although Iron Mill College rarely needs to cancel a teaching day, there are occasions where this is necessary, staff illness or extreme weather conditions preventing travel. Reserve Days are therefore used to replace any lost teaching time due to such emergencies and will only be used if required.

Please note: Iron Mill College makes every effort to avoid altering course times, course commencement and conclusion dates. However, should any changes be necessary, you will be notified at the earliest opportunity. All courses run subject to demand and the formation of a viable class cohort, based on the enrolment of a minimum number of successful applicants. A full refund of course fees paid, including any deposit, will be given to all applicants in the event that a course does not proceed and at least 14 days' notice (prior to the advertised course start date) will be given to applicants, in the event of a course cancellation or postponement. The college cannot be held liable for any remedy, damages or compensation beyond this.
